Berrybank 2 Wind Farm

Community Update

Want to Contact Us

If you are looking to contact GPG about the Berrybank 1 or 2 Wind Farms, we now have a brand new project specific email address where you can send through any feedback or complaints: berrybank1and2windfarms@globalpower-generation.com.au. You can still also contact our community engagement officer Nathan Micallef by phone: 0400 403 282, email: Nathan.micallef@globalpower-generation.com.au or in person at the site office located at 578 Padgetts Lane, Wallinduc Vic 3324.

Community Engagement Committee Meetings

Berrybank 1 & 2 Wind Farms' Community Engagement Committees are currently looking for anyone that is interested in shaping the future of the Berrybank Wind Farms Community Programs to please get involved and apply to join the committee.

We are looking to fill 3 vacant positions for local community members for both Berrybank 1 and Berrybank 2 committees. CEC meetings are held on the first Monday of every second month with the next meeting to be held on **Monday 6th June at 10am**, at Berrybank Public Hall. If you are interested in joining the committee, please contact Nathan Micallef at nathan.micallef@globalpower-generation.com.au or phone 0400 403 282.

Neighbor Benefit Program

Voluntary deeds for neighbours whose household is located within a maximum radius of 2 km of the wind farm are still available to be entered into at any time during the construction and operations periods of the wind farm, in order to share with them the benefits generated by the Wind Farm, not only during construction but also during the operation period.

Construction Update

Last Tuesday 12th April, Berrybank 2 Wind Farm construction teams have completed the installation of the **FINAL Wind Turbine Generator** at the Wind Farm. The installation of the **26th Turbine** for the Berrybank 2 Wind Farm marks a major milestone for GPG and our contractors; this brings the total number of turbines installed at Berrybank 1 and 2 Wind Farms to **69 Turbines, with a total installed capacity of 289.8MW** of power, that is connected to the Victorian Electricity Grid via the Ballarat-Terang Line.
